Hospitality:

Palace is an open house where people with a passion for adventurous sounds and ideas come together and work in solidarity. Since day one, the house is operated independently by a group of around 50 people and without security personal or sponsorship. It is important to us that Palace is a non-discriminatory and non-violent space in which all participants—artists, staff and visitors alike—treat each other with respect and are mindful of each other so that everyone can feel comfortable, safe and integrated. We greatly appreciate your co-operation in this regard. Please note that non-compliance can end in exclusion of the venue. If you have any questions or need support in this area, you can contact us at any time in advance or reach out to the responsible person on site.

Catering:

We'll provide a variety of snacks and drinks upon arrival as well as a warm dinner with salad. We serve local, healthy and seasonal food at Palace, all vegetarian and vegan. Any special drinks will be available at the bar according to its drink menu.

Green Room:

There is a shared green room with a toilet and a mirror.
Please note, that there's no shower at the venue.

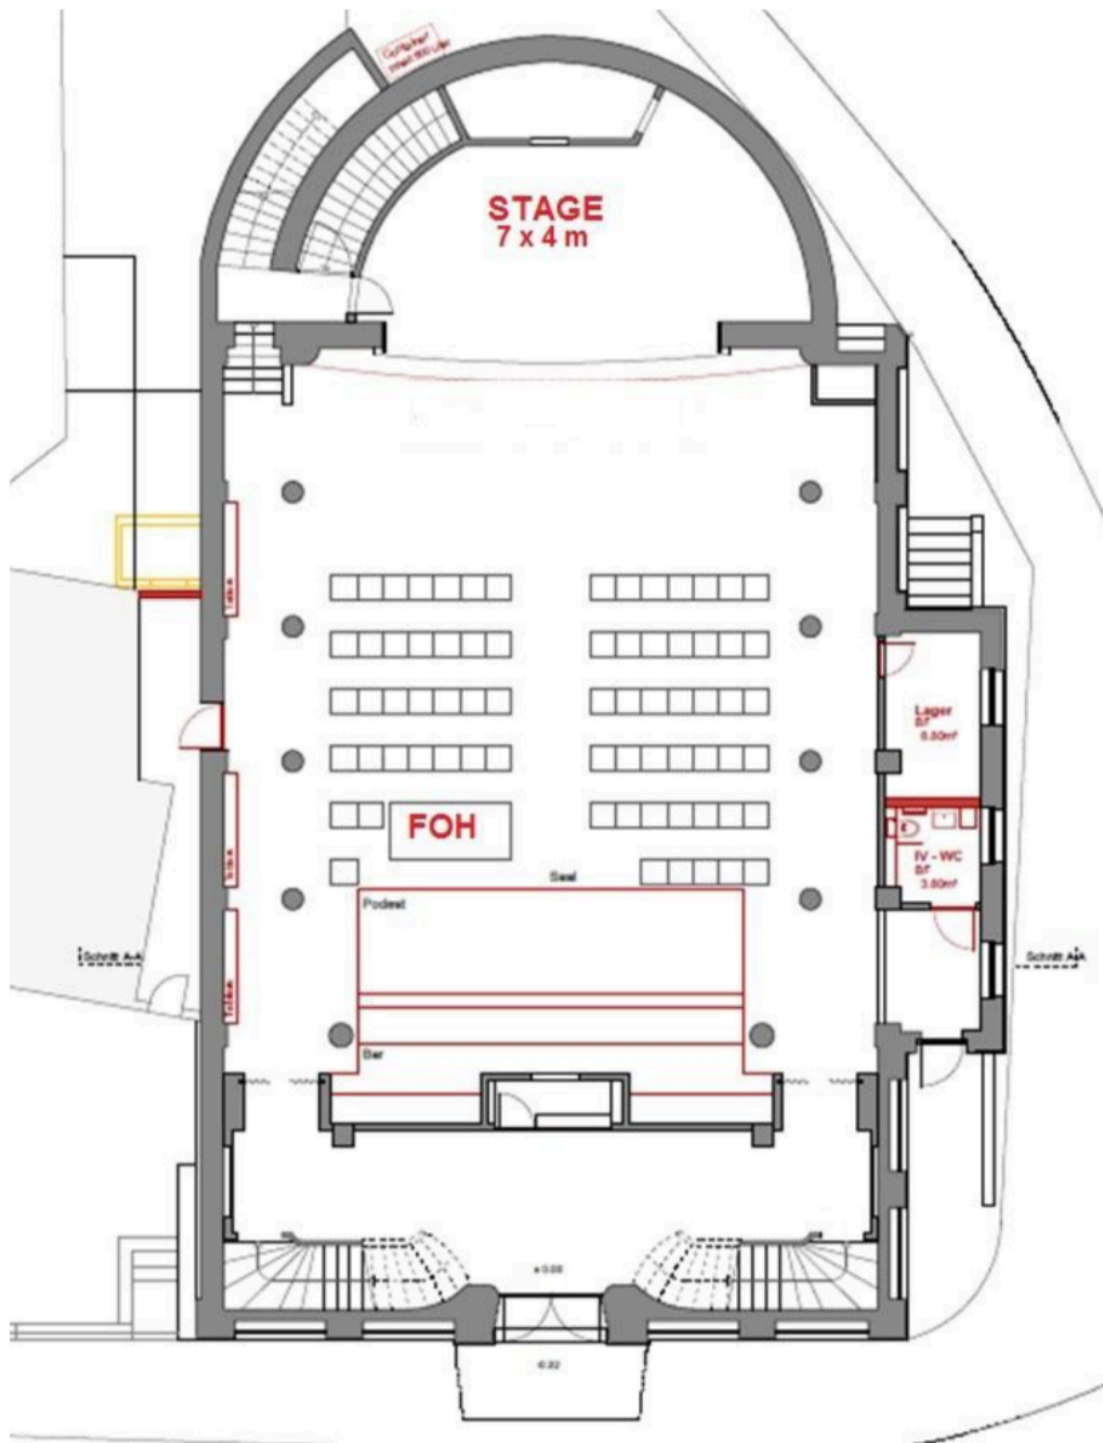

Parking/Load in:

There is a parking spot on the right-hand side of the venue. No stairs for load in.

Merchandise:

Merchandise can be sold without a fee. There is a dedicated space next to the stage. This is not operated by the venue.

Room:

Stage: 4 x 7 meters (semi-circle)
 Stage height: 6.2m
 Stage – FOH: 8.5m
 Room length: 13.5m
 Room width: 13.7m
 Capacity: 400
